This week's word of the week is:

SEXISM

In Harmony Haven, where friendships danced like gentle breezes, little Alex Ant set out to explore the concept of sexism with guidance from wise Grandma Butterfly. "Sexism, Alex, is like a cloudy day in Friendship Meadow. It's when someone treats another differently based on whether they're a girl or a boy," explained Grandma, fluttering her wings. Curious, Alex gathered pals—Sammy Snail and Taylor Turtle—for a day of understanding. They played a game where everyone took turns leading, showing that abilities had nothing to do with whether you had six legs or a shell. Laughter rippled through the meadow as they realised that true friendship flowed without barriers.

Eager to spread the message, the trio organized a Unity Picnic, where insects and animals of all kinds shared stories and treats. Granny Butterfly commended their efforts, noting that in Harmony Haven, sexism melted away like morning dew in the sun.

In Harmony Haven, sexism wasn't a part of the friendship dance; it was replaced by the joyful rhythm of equality and acceptance. Alex Ant and friends learned that embracing everyone for who they are made every day a harmonious adventure in their meadow of understanding and respect.

Somewhere inside all of us is the power to change the world.

- Matilda (Roald Dahl)

Tyler's tremendous 'Thomas the Tank Engine'.

Well done to TB from Birch for his amazing wooden model of Thomas the Tank Engine. He used all recycled timber and gained lots of new skills completing his project. TB is very proud of his achievements, many staff and students have told TB how amazing it is.

World Book Day

This week we celebrated World Book Day. Many of the pupils and staff dressed up on Friday and participated in a variety of activities, most of which were Roald Dahl based. Below are photos that were taken throughout the week, but mostly on Friday.

Visit from Contron Sixth Form College.

On Wednesday we had a visit from ex pupil Warren, who is currently attending Crontron Sixth Form College. Warren and those from his music class came into School to perform some songs for our staff and pupils. The music was amazing and it was great to an ex pupil doing so well post Chaigeley!!

Ofsted Inspection

As most of you will know we received our scheduled **Ofsted** inspection on the 23rd and 24th January 2024. Attached to this week's newsletter is the official report, which highlights we continue to be **Good** in all areas of our school.

I would like to take this opportunity to thank all the parents who completed the questionnaires online and who also made themselves available to speak in person with the Inspectors, your input was welcomed and valued.

I would also like to commend the governors, trustees and staff at school who work tirelessly day in day out to support and develop our pupils in every way, the inspection result rewarded their hard work and commitment.

The pupils also played a huge role in the 2 day visit and as usual showed themselves in a tremendous light and showcased what they love about their school and how it helps them to achieve their ambitions.

Huge congratulations to all

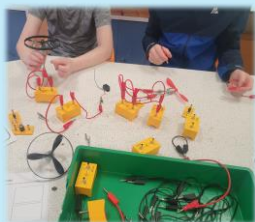

Mr. Paul Lambert

Beech this week

In Science this week, the pupils learnt about electric circuits. The pupils matched component names to symbols and had a go at building circuits which includes bulbs, switches, buzzers and motors.

The pupils from Beech also competed in a tug of war with each other and the staff.

Year 11 BTEC Home Cooking Skills Assessment

The Year 11 pupils needed to cook a meal for a friend, as part of their assessment. The pupils have worked really hard cooking their final meal and they were brilliant. All of the staff at Chaigeley were all super proud of all their effort. We had burgers with handmade Burger Buns, Chicken Ramen with handmade noodles and a Steak and Chips with an Oreo Milkshake. Well done Year 11!!
