- OF, DG, CR, EHS Lilac
- OT, LJ, SS, Lavender
- TB, MD, SR, NR, CR Birch
- RB, ED, MMc Bonsai
- TL Beech.

This week's word of the week is

### Community

A community is a group of people who share common interests, values, beliefs, or characteristics and come together to support and interact with one another. Communities can be based on geographical locations, shared hobbies, cultural backgrounds, online platforms, and more.

This week the pupils have been taking advantage of the warmer weather by spending a lot of time in our forest schools area.

Here is a picture frame made from scrap wood by one of our pupils

This month sees the return of the Warrington Guardian Education Awards where parents/carers can nominate pupils, staff and/or schools for an award. If you feel that any of our school community deserve recognition with an awards, please click on the link below to cast your vote.

### Engage in their future

Engage In their future is a national association for school leaders within the SEMH sector of Special Educational needs. Engage improves life chances for children experiencing Social, Emotional and Mental Health challenges (SEMH) One of our pupils from this school year and one from the last school year were awarded prizes at their 2024 national awards.

### Food Tech

In Food Tech this week Birch class visited Greece! The students baked fresh pitta breads, blended their own hummus dip, and prepared salad with an oil & lemon drizzle. This was a big task with a lot of different dishes, and everybody worked so hard to complete everything. The students showed fantastic concentration and commitment, and it was lovely to see them sitting around the table together at the end.

Year 11 this week have been prepping for their BTEC practical:
